Acting President Norm welcomed all to the meeting especially the two new exchange students in Mads and Paul along with our National Youth Science Forum nominee Ryan Turner and his Parents Rebecca and Jim. Jan Duffy was also welcomed as the District inner wheel committee representative.

Acting President Norm opened the meeting with both exchange students reciting grace in their native tongue, followed by Ryan in English.

Reports

Club Service.Laurie Duffy

Welcomed all inner wheel members and, visiting guests Deborah and Jim Turner and partners of Rotarians and thanked them all for making it a special night for the new arrivals .

New Generations Norm deGrussa

Norm introduced both Mads and Paul and asked them both to say a few words of intro and just tell us a little bit about themselves.

Wishing Well

Wishing well maintenance clean due this week along with moneys collection to be conducted.

Raffle Winners

1st Andy Anderson

2nd Andrew Bates

Guest speaker

Ryan Turner – National Youth Science Forum

Attends Wanneroo Senior High school and resides in Carramar after migrating from Newcastle in UK some four years ago. Is a straight A student and has nominated to sit attend the NYSF interviews .He is extremely keen to attend and expand his knowledge on what Science fields are open to him upon his graduating from high school.

The Rotarians asked a few questions of him to make him expand on his answers as the interviews are hard core and places are difficult to obtain.

All the best Ryan.

Mads arrival at Perth international Airport

Paul arriving at Perth International Airport.

Both Boys arrived safely and have settled into their first day at school.
Mads has settled into his first host family house and raided the refrigerator already.

Ryan Turner Wanneroo Rotary Club applicant for National Youth Science Forum
