Report on Meeting #1959

Guests this week included our guest speaker's wife Helen and son Ben and visiting tour leader from Hong Kong, Yuki Lee.

Chair, Graham Wallis introduced our newest member Brad Silby, who joined us in June 08. Brad comes to us from the Rotary Club of Murray Bridge with his wife Helen and son, Ben who is in his last year of commerce.

Brad's life has done a 360° with respect to where he has lived. He was born in Klemzig, educated locally, then worked as far west as Ceduna, as far north as Andamooka, east as Murray Bridge, to return to live here in Athelstone.

At 16 he entered the police training school, for three years.

Brad Silby: The Person Behind the Badge

Little Hampton was his first posting, then followed by Pt Augusta, Andamooka, & Woomera.

The inability of purchasing a Tonka truck for his son, in Port Lincoln, where they were living became the catalyst for Brad and Helen to invest in a Toyworld franchise. This proved to be a successful venture of 18 years. Followed by Toyworld in Murray Bridge and finally 4 Toyworlds in Adelaide.

From the age of 10 Brad was a forward in state rugby union teams. One rugby highlight, when 21, was playing at the MCG as the curtain raiser for the All Blacks V Wallabies match that year.

Brad illustrated his talk with photos. The one of him in a baby costume really should be reproduced here. That occasion caused him to shave his moustache which he has not regrown. (a pity, it looked rather spiffy: Ed)

car's interior gadgets works, Scott Nicholls missing the last episode of Big Brother because of the board meeting and Dave Richards who is on two diets because there was not enough food to eat on just one.

Wakka Richards auctioned a prize cabbage, that he himself had grown, and raised \$5.50.

The meeting closed at 7:45pm!

GROUP STUDY EXCHANGE JULY 2008 TO JUNE 2009

During 2008 - 2009 our District will be involved in an exchange with District 7710 North Carolina USA with incoming and outgoing teams being organised as follows:

Hosting GSE Team from District 7710 North Carolina USA

This exchange will take place from 27th September 2008 to 28th October 2008. The GSE committee has now selected the Host clubs for this exchange and a meeting was held on June 26th, at which time the program and vocational aspects of the exchange were discussed.

Those clubs involved will contact other clubs in their groups to arrange Inter club meetings to provide as many Rotarians as possible the opportunity to meet the team whilst in their area.

Clubs participating are—Brownhill Creek, Onkaparinga, Mildura Deakin, Berri, Morialta, Victor Harbor and Glenelg.

The incoming team will be attending and making a presentation at the District Conference in Mount Gambier in October.

Selection of Outgoing Team to District 7710 North Carolina USA

The District GSE Committee calls for nominations for Team Leader and Team Members to travel to District 7710 North Carolina USA in

Team selections should be completed by the end of August 2008 to allow sufficient time for planning and training of the team.

This will also enable the outgoing team to meet the incoming team whilst they are moving throughout our District.

Clubs are encouraged to nominate candidates for both Team Leader and Team Member The cut off date for nominations, is **15th August 2008**. Late nominations will not be accepted.

POLIOPLUS COMMITTEE

DG Peter is pleased to advise that PP Margaret Northcote has accepted the position as Chair of the PolioPlus Committee from 1st July 2008.

2008-09 Rotary year will be an important year for the ongoing support of the Foundation in bringing the goal of eradicating polio from the world to its final conclusion.

HELP END POLIO

G8 renews commitments to Polio Eradication

Rotary International News
18 July 2008 www.rotary.org

At their 8-9 July summit meeting in Japan, the G8 nations agreed to "maintain momentum towards the historical achievement of eradicating polio."

To do so, their joint statement continued, "We will meet our previous commitments to maintain or increase financial contributions to support the Global Polio Eradication Initiative [GPEI], and encourage other public and private donors to do the same."

Together, the G8 countries -- Canada, France, Germany, Italy, Japan, Russia, the United Kingdom, and the United States -- account for more than half of all funding of the GPEI. The initiative is led by the World Health Organization, Rotary International, the U.S. Centers for Disease Control and

Prevention, and UNICEF.

The G8 first placed polio eradication on its summit agenda in 2002. It has renewed its commitment to eradication at every summit since then, but not all member countries have completed their financial contributions.

In addition to raising funds, G8 countries work as a group to advocate broad support for ending polio. Advocacy by G8 leaders for the four remaining polio-endemic countries -- Afghanistan, India, Nigeria, and Pakistan -- is critical to ensure eradication of the disease.

The Bill & Melinda Gates Foundation welcomed the G8's renewed commitment to finishing polio. Following release of the G8's 2008 summit communiqué, the Gates Foundation stated, "In recognition of the G8's continued attention to polio eradication, the foundation will commit at least US\$150 million

to fight polio this year. This is in addition to the \$250 million we have committed to date toward polio eradication efforts."

Finishing polio worldwide remains Rotary's top goal. Vital to helping achieve that goal is Rotary's US \$100 Million Challenge, the three-year funding effort to match the Gates Foundation's \$100 million grant to The Rotary Foundation for polio eradication.

Since the PolioPlus program's inception in 1985, more than two billion children have received oral polio vaccine. But Rotary's work is not done: The disease has not yet been eradicated. [Contribute to the PolioPlus Fund online or by mail](#) to support Rotary's dream of a polio-free world.

As of June 2007, Rotary had committed nearly US\$620 million to global polio eradication. Each year, it spends about \$33 million.
