Amelia Airheart

"The world's most famous female aviator disappeared in 1937, as she attempted to become the first woman to fly around the world. With her navigator, Fred Noonan, her Lockheed Electra was last heard from about 100 miles from the tiny Pacific atoll, Howland Island on July 2, 1937. President Roosevelt authorized an immediate search; no trace was ever found." (Wikipedia)

Approximately 168 Rotarians and partners from Group 7 Rotary clubs, under the chairmanship of ADG Bob Brigden, attended the fundraising meeting held in the Chelsea cinema and watched the film "Amelia".

The night was about raising funds to add for the Rotary Foundation's Polio Plus campaign to eradicate from the few remaining countries from whence it continues to threaten the rest of the world.

THE FOUR-WAY TEST

- Is it the truth?
- Is it fair to all concerned?
- Will it build goodwill and better friendships?
- Will it be beneficial to all concerned?

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster –

1. The development of acquaintance as an opportunity for service.
2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by every Rotarian of their occupation as an opportunity to serve society.
3. The application of the ideal of service by every Rotarian to their personal, business, and community life.
4. The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people in the ideal of service.

International Director Jane, ably supported by Chris, oversee the Campbelltown Rotary clubs arrangements.
