

Your participation will  
Assist Many.

**This will be the 4th Fund Raiser that**

**We have conducted for The R.F.D.S.**

In **2004** we raised \$15,000 for Royal Flying Doctor Service and \$15,000 for Rotary, and \$10,000 for Outback Communities

The R.F.D.S. purchased an IStat Machine.

In **2006** we raised \$21,000 for R.F.D.S. and \$4,000 for Rotary in addition, \$20,000 was left with the various Outback Communities for services provided etc.

The R.F.D.S. purchased a Lifepak Machine

In **2010** we raised \$25,000 for R.F.D.S.

They purchased a Propaq cardiac monitor and \$2,000 for Rotary

\$20,000 was left in the Outback Communities

In addition a donation of \$5000 was made by Campbelltown Rotary Club in honour of the late David Tuckwell (our previous secretary and organizer).

We aim to better these figures this time.

**Please help us**

## Campbelltown Rotary Outback Experience 4

The Aim: is to raise money for Royal Flying Doctor Service (R.F.D.S.), Australian Rotary Health Research Fund and the Rotary Foundation.

It is NOT a bash or a race. It is a relatively sedate drive through some of our outback.

The **charge per person** is for catering camping and entertainment . An extra fee applies for a bed in a nice cosy room, with power.

We encourage entrants to seek their own sponsors, either to assist with fees and costs and/or raise funds for their own Club or Organization.

We will start our Experience with a pre-trip dinner on Friday night October 5th 2012 –where you will receive your T Shirt, Cap and other goodies.

We will then depart from Athelstone at:

8am Saturday 8th October 2012

Concluding: Sunday 14th at Blinman - allowing you to drive home at your leisure on the 14th.

We look forward to you joining us.

Act quickly to secure your position.

### **Campbelltown Rotary Outback Experience 4**

Join us for  
A scenic drive through  
The Outback,  
Visiting new and exciting  
places

6th October 2012  
To  
14th October 2012

## *Campbelltown Rotary Outback Experience 4*

Act now and make plans to  
Join us for the opportunity  
to see the outback at a lei-  
surely pace.

You will see some rarely visited, magnificent, rugged country and experience the thrill of driving through it on your very first day.

You will be able to experience the life of a Station Owner, in a remote part of our State.

We will take you to parts of our beautiful State that are rarely seen.

You will be entertained every night.

Our C.R.O.E. 4 is being put together due to popular demand.

Please help us to make this 4th experience a very worthwhile one.

And above all a great experience for all of us to talk about.

## Why not get a group together from your Club or Family to help us raise funds for Royal Flying Doctor Service

You will not have to prepare any meals, or wash any dishes.

The meals will be provided and by paying for these, you will be putting some much needed money back into the local community, and organization.

You can sleep in million star accommodation—you will have to provide a swag for this, (yours or borrow one).

Or you may sleep in your tent.

Or, you may purchase a bed for the evening.

You will be able to participate in an auction and get your self a bargain and at the same time help charity.

You will be able to sit back and enjoy some form of entertainment every night.

All you need is a 4 wheel drive vehicle (or know some one with one that you can travel with and share the cost)

Or get a group together and hire a 4 wheel drive.

Or just register and we will do our best to find you a seat (You will be required to pay your share of the vehicle costs e.g. fuel).

No 4 wheel drive experience is necessary.

The drive will not be too difficult, (you will have the guidance of experienced 4 wheel drive operators and the security of a satellite phone and RFDS radio)

It will be fun and above all else A Great Experience.

**You could get sponsors and in turn raise funds for your own Charity or Club.**

Campbelltown Rotary Outback Experience 4

October 2012

There will be a Registration Fee \$400 per person

Non refundable donation to

R.F.D.S. , or

Rotary Foundation, or

Australian Rotary Health Research Fund

And also a cost per participant \$750

(for food etc—see reverse)

Other costs to you may be:

Upgraded accommodation \$160 per person (for a bed in a room with power every night, however, some nights the number of beds will be limited, hence, *to ensure a bed each night you must book early*)

Auction items

Fuel (by arrangement with your driver)

Personal spending money

Registration forms will be available by email, snail mail, phone or fax from:
