From the President

The Change over Dinner was great celebration of our continuing achievements as a Rotary Club. We have a special magic in our Club because of the way our membership approach their community service commitments and the way they treat each other. We continue to provide opportunities for individual members to grow as community leaders and we recognize outstanding service through our Paul Harris Fellowship awards. As richly deserved recipients of RI Awards we offer our congratulations to:

Harry Beauchamp- Paul Harris Fellowship- Sapphire
Brian Thomson- Paul Harris Fellowship
Trevor Curtis- Paul Harris Fellowship
Beverley Curtis- Paul Harris Fellowship

Congratulations are due to Immediate Past President Wayne Richards for the time, skills, and leadership he put into his time as President of our Club. Our Club is most fortunate to have such high level commitment and expertise in our midst.

On Wednesday 2nd July, I participated in the Youth Opportunities Graduation Ceremony at the Murray Bridge High School. A large audience had their hearts warmed by the presentations of the young people as they publicly acknowledged the value of their learning achievements and their own abilities.

This Program has immediate value for the student participants and in the longer term there is great value for our community. Our Rotary Club is most fortunate to be able to jointly sponsor this program with the Murray Bridge High School and the Rural City of Murray Bridge.

Farewell to Emilie

Chairman Gordon Schultz introduced the guest speaker Emilie Kozera from Rifle Colorado, our exchange student for 2007-2008. He expressed sentiments that Emilie joined in well with Rotary activities and it is time to say good-bye. Gordon thanked everyone who hosted Emilie and everyone else who helped.

Before Emilie came to Australia, she was anxious about travelling across the world by herself. During her stay with us Emilie attended Murray Bridge High School, she enjoyed school and had good fun.

Emilie enjoyed holidays with host families. Her first trip was Going Bush With Rotary where she enjoyed listening to interesting stories from indigenous people. She also had the opportunity to visit places like Victoria, Phillip Island and Yunta, having lots of fun. Emilie met a lot of exchange students at the District Conference where she participated in shearing sheep and had fun with Koalas and Kangaroos.

Emilie enjoyed giving speeches every Tuesday at Rotary meetings. She expressed that this has made her gain more confidence in herself and the Rotary Club of Murray Bridge was now part of her family.

To conclude her speech, Emilie thanked the Rotary Club of Murray Bridge for giving her the best taste of Australia anyone could ask for.
