New Members- President Sam.

Last week Elizabeth and I attended a meeting of the Rotary Club of Tailm Bend. A feature of the meeting was the induction of 3 new members. This increase in membership was a welcome boost to the Club, however this occasion prompted me to think that as yet I have not had the experience of inducting New Members in my Club. Please fill this experiential gap in my life !!

Daryl had the opportunity to explore Port Moresby, Isurava Battlefields, Kokoda and Gona. In his presentation was the following quotation, 'Sometimes it is not a bad thing to walk in the footsteps of others'.

Kokoda track is one of the world`s great treks, linking the South and North coasts of Papua New Guinea. It has great historical significance and was the site of bitter fighting between Australian and Japanese armies during the early days of World War II. The Kokoda heroes battled the Japanese from Port Moresby across the rugged Kokoda track until the defeat of the Japanese at the beachhead of Gona. The Courage, Endurance, Mateship and Sacrifice that our Australian soldiers and Guinea Brothers have become a legend in the history pages of our country..

Daryl dished out footy balls at Kokoda hospital and expressed that they received a warm welcome from the Chief of the town. However, it was sad to hear that on his way to Bona 24 bridges had been washed away. At Bona they found a Japanese wood pecker (gun), bullet cannisters and water bottles left by the soldiers.
