R I Pres John Kenny

President Max
and Jim Moore
cut the ribbon to
inaugurate the
new marquees.

Thanks to the generosity of Ross Lake and TASCOS Inland, the Club now has two 3m X 3m marquees. They can stand alone or be joined for a larger space.

The Club met on the lawns near the Mildura Lawn Tennis Club, practiced putting up a marquee, and celebrated with a BBQ.

TASCOS donated \$4000 towards the cost of the marquees, nearly the full cost, and have not looked for any publicity or acknowledgement. Even so, TASCOS Inland and Ross Lake have our heart-felt thanks.

Jim Moore assisted President Max in cutting the ribbon, in recognition of the initiative Jim showed in pursuing this project.

Many hands make marquee work

Invocation

For good food, for fellowship,
for the opportunity to serve in Rotary,
we give you our thanks, O Lord.

Four Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Sergeant-at-Arms

Alastair Ginman

Sgt Alastair is back on his feet again and he celebrated by fining all those brave souls who showed bare knees in response to the weather.

Surely a good Scotsman should encourage the sight of naked knees under shorts as a step towards braves in kilts.

Johanna Stenmark returning

Members will remember Johanna, our delightful Swedish Long Term Youth Exchange student. She arrived in Australia on December 10 and expects to be in Mildura next week, staying with the op't Hoogs for a while.

Johanna completed her secondary schooling back home in Uppsala and the photograph shows her at her graduation. She is wearing the traditional cap worn by Swedish matriculants, and the family gift of a string of pearls.

After graduation she spent a gap year working to earn money to visit Australia.

Johanna will take up her tertiary studies in Uppsala in April. She has yet to finally decide on her area of study but is thinking about an economics degree.

We look forward to seeing Johanna at one of our meetings.

Rotary Foundation Thought of the Week

The founder of the Rotary Foundation was Arch C. Klumph.

A member of the Rotary Club of Cleveland, Ohio, USA, Klumph served as the RI president in the 1913-14 Rotary year. In 1917, Klumph declared that "we should accept endowments for the purpose of doing good in the world in charitable, educational, and other avenues of community service." His vision and a contribution of US\$26 left over from the RI Convention helped to establish the charitable and humanitarian arm of our organization, The Rotary Foundation.

Due to the hard work and generosity of Rotarians worldwide, The Rotary Foundation has improved lives for over 90 years. With ongoing financial support, our Foundation will continue to carry on Klumph's dream well into our second century of service.
