Presidents Announcements

President Ray Smith announced that it was with much sadness that he must inform the Club of the untimely and **sudden death of** former Blackwood Rotarian, **Neville Newton** last Saturday. Neville was a member of our Club for many years and almost single-handedly set up the Musicfest, which is his legacy for the Club. He features in two photos on our Blackwood Rotary Club flyer and will be remembered for his dedication to Rotary as well as his wit and auctioneering flair. It was pleasing to see Neville at the recent Changeover dinner sharing a laugh with other current and non current Rotarians. Neville was well-known throughout Adelaide and was affectionately referred to as "Nifty" Nev.

It was pleasing to **induct Tony Hughes** as a new Blackwood Rotarian, having been introduced by Jeff Hunter. Tony teaches at Blackwood High School, and it is fitting that he has been appointed to the Youth and Vocational Committee. Tony is not new to Rotary, having previously been a member of both the Hyde Park and Flagstaff Hill clubs.

President Ray **thanked Club Service Director Bernie** for the positive measures he is introducing to streamline processes and procedures within our Club.

Announcements for the Good of Rotary

WINE BOTTLING

Graham Lough announced that the Rotary spring wine bottling will be held on Sunday 26th October at Howard and Susan Moss's property at Bungle Ranges via Strathalbyn.

BELAIR WAR MEMORIAL

Bob Richter reported that the War Memorial in the Belair National Park is now coming to completion. I visited the site today and the bridge is now in place, most of the board walk is completed and the path from the WWI Memorial to the WWII Memorial (The Avenue) is almost completed as well. We are contemplating having the official opening on Remembrance Day in November this year. If any one wants to go to the site they will need to go to the end of Long Gully Road to where the gate is. The Cherry trees are visible from there and you just need to walk a little further and you will see the bridge etc. Any queries please give him a call.

ON THE SICK LIST

Previous Rotarian Trevor Boreham is currently in St Andrews Hospital undergoing extensive tests and analysis as he is confronting a number of health issues. He is expected to be there for at least the remainder of this week.

ART SHOW RISK MANAGEMENT

Bernie Morgan is the risk management member for the Art Show. He wants all helpers to assist identify and take immediate action to reduce any risk involved in the Art Show, and advise him of it as soon as possible. He also reminded all helpers to wear gloves when moving our art frames and to practice good lifting techniques

Special Events

Paul Harris Fellow - Immediate PP Michael presented the Paul Harris Fellow award to **Graham Lough** for his untiring service to Rotary and the community

Past President Bulletins – Immediate PP Michael presented PP **Bob Arnold** and PP **Elizabeth Caldicott** with bound copies of the bulletins from their respective years.

DIRECTOR'S REPORT

Club Service monthly report (July 2008)

I look forward to providing monthly reports in our bulletin (on the first week of every month) to keep you up to date with internal Club news.

Attendance; apologies/bringing guests – telephone 82789111

There will be only one telephone number for members wishing to give notification of their apology for, or bringing guest/s to, meetings. Please telephone LJ Hooker Blackwood on 82789111 to give such notification BY 12 noon on Tuesday. Mark has organised members of his office to record notifications, so please do not ring Mark. While Reg Hanson and Margaret Congram will be attendance officers asking you in advance for apologies and guest attendances, using the LJ Hooker Blackwood number will prevent your having to remember who to ring on different occasions. Your cooperation to get accurate dinner numbers to the Belair Park Country Club will save embarrassment and money. Ringing the Country Club after 12 noon should be avoided if possible. Members who are not excused attendance and fail to apologise will be recorded as "silent".

Buddy, Information and Committee nights

The focus of our first Club meeting of every month will now be on Rotary Information and our members in addition to providing some time for Committee meetings. On this night, you are asked to sit with your "buddy" or provide a welfare report on them if they are not at the meeting. (New "buddy list" distributed tonight). Information spots will be given by a variety of members to inform newer (and remind longer serving) members of Club and Rotary matters. Members providing information spots should also provide a brief summary for the bulletin.

Bulletin requirements

To reduce pressure on our bulletin editors (Sue Sedivy and Terry Tierney) all members are requested to email their "AFGOR" announcement to the bulletin editor for that week. Failure to do this (or negotiate another solution with the bulletin editor for that week) will result in your announcement not appearing in our bulletin.

To keep members informed, Club Service (week 1 of the month), Youth and Vocational (week 2), Community Service and International (week 3) and Future Directions (week 4) Directors are requested to provide a monthly report on their Committee's activities. If Directors do not have such a report prepared for the Bulletin editor for the relevant week, the bulletin will reflect that.

Guest speakers

Thanks to Elizabeth Caldicott for taking over from John Penta in organising guest speakers. Elizabeth and I would appreciate your suggestions of good guest speakers for our meetings.

SERGEANTS SESSION

- Almost forgotten, this session began with a bad joke and Immediate PP Michael carrying the box.
- The previous Board were fined for the new year and the 2 Sue's were fined for being serial changeover attendees (Lion's and Rotary). Bob Arnold said he'd been to 6 changeovers, but that's his job so it doesn't count.
- Immediate PP Michael was fined because he's soon taking off to the Baltic region for a fast holiday and rellie bash.
- Pres Ray introduced his daughter as a Smith on changeover night but she's been married 5 years (does this mean she's changed her name or not?)
- All those who supported losing SANFL clubs and Port Power supporters.
- All those who were given awards on changeover night (Robyn, Elizabeth, Graham, Tom)
- Pres Ray had to be fined for that hat
- Laz who missed the copper box and Barry Sheridan for not handing out sub renewals on the first night of the New Year.

You will be asked to sit with your "buddy" on the first meeting of every month or provide a welfare report on your "buddy" if he or she is not at that meeting. You will note that many of the "paired buddies" have a common role in the Club.
