

LAST DISCO ROLL FOR ROTARY CLUB OF MORIALTA

2010 saw our last Disco Roll, instead we will now be supporting the STAR Volunteering with their disco and other activities.

This program assists people to overcome social isolation which often occurs when people live alone and do not have contact with friends, family or networks such as employment and community.

Their volunteer program is tailored to meet the needs of isolated individuals with disabilities and thus enhance their opportunities to experience genuine community inclusion.

If you would like to volunteer or you know someone who would please contact:
