What is it about a wedding that brings a smile to your face as you remember that special day? In the 2009 Cavalcade parade we will look at all aspects of wedding fashions, from engagement dresses, the bridal gown, the bridesmaids, the mother of the bride, going away ensembles and even the guests. We will journey through 60 years of wedding fashions and the stories that made them memorable. Not just a fashion show, a Cavalcade parade is a fascinating, entertaining, and memorable glimpse into our wonderful past.
