Rotary Club Initial Ticket Order form

Dear Rotary Club,

The Community Chest is a Rotary initiative to facilitating the fund raising capabilities of community groups and charities to **raise their own funds**. By 2009 hundreds of groups raised over **\$12.3 Million**. We are not aware of any other project offering the opportunity to raise these large amounts at these fantastic percentage returns.

Rotarians, please read the simple concept of this project and look at the percentage structure before joining. Only if your club's coordinator is **completely convinced and committed** and has the backing of the club to help as many people in their community as possible should your club participate.

Although basically easy to manage these projects do not run on their own but require the members to make organisations aware of this wonderful fund raising opportunity. Start early and review regularly to generate large volume sales.

A ticket sells for \$2.

- **\$2.00** = 100% of a Community Chest raffle ticket sold [Run by a trust there are no tax implications]
- **\$1.50** = 75% this goes to the school, charity, Rotary club or sporting group selling the ticket
- **\$0.20** = 10% is retained by the networking Rotary club
- **\$0.30** = 15% is returned to Burwood Rotary to cover the expenses.

Rotary clubs receive an extra 10% of sales and in turn are charged for all tickets ordered during the whole Rotary year, that means for the Community Chest and the Christmas Treasure Trove combined at a sliding rate and invoiced in July.

From 1 to	500 books of raffle tickets	= \$0.75 per book
