

## SEPTEMBER IS NEW GENERATION MONTH

Is a time to highlight some of the projects that the youth of Australia can be involved in, in Rotary. Many Aussie youth have benefited from these worthwhile programs.

Another one is: **ROYA Recognition Of Youth Award** is unique to District 9690 and was set up to mark the 75th anniversary year of RI. And has been conducted successfully ever since. It is far more than just a popular person contest, rather it seeks to identify and recognize involved, concerned young people of all round ability, involved in community affairs and taking opportunities to participate in a wide range of interests. The program is offered to Seniors (Year 11 and 12) and Juniors (Years 9—10).

Some materials and garments are called after their places of origin. Muslim comes from Mosil in Kurdistan and Cashmere from Kashmir.

In Genoa tough twilled cotton cloth for trousers was manufactured. The English adopted it from the French spelling of the town, Genes. Levi Strauss used the material for sail making but with shortage of business started making trousers for miners and the world denim comes from the French town, Nimes.

**Tonight's Program:** We extend a very warm welcome to the teachers and students from our local primary schools, and to our Guest Speaker, Anthony Stimson, who is a wild life officer who comes along each year to entertain and educate the students about some of the Australian wild life.

We hope that students, teachers and guests will enjoy tonight's entertainment and fellowship and have an enjoyable evening.

**FACTS ABOUT THE ROTARY CLUB OF CABRAMATTA INC.** Rotary International is the association of Rotary clubs around the world. Clubs work on projects relating to health, hunger, environmental corners, literacy and vocational assistance, drug abuse and assisting senior citizens and younger people. Club members support projects internationally through their own contacts with Rotarians in other countries and through participation in the program of the Rotary Foundation. Membership in a Rotary club is by invitation of a recognized business and profession working or living in the geographic area from which the club may draw members. The classification system ensures a wide cross section of the community's interests, vocations and activities. The Rotary Club of Cabramatta Inc was chartered on 1st March 1960 with a membership of 24. The club now has 17 members, but what we lack in numbers we make up for it in enthusiasm and we meet every Monday evening at the Cabramatta Bowling Club. Normal meetings include fellowship at 6.00 p.m. followed by the formal call to order at 6.15 p.m. During the meeting a meal is served. Directors reports are given, items of general interest are discussed and an address is given by a guest speaker on a variety of informative, topical and educational subjects. Meetings generally conclude at approximately 8.00 p.m. Members are appointed each year to serve on a committee on one of the "Avenues of Service" which are **Club** (which includes fellowship), **Community, International, Vocational and Youth Service**. As in all involvement in Rotary, the time given is personal and voluntary. Some of the projects have been sponsoring students to summer Science Forum in Canberra for 2 weeks, camps for RYLA, RYPEN, organize Red Shield Appeal for the Salvation Army, bush dances to raise money for Children's Hospital, local hospitals, Les Powell School for students with severe disabilities. The Police Officer of the Year Award is another worthwhile community event which we have undertaken, which shows the community what great law enforcement officers we have, and also promoting Rotary as well. Youth programs such as school students nights, both high and primary schools, manage and support Rumbriah Hall a community hall at Canley Heights, Christmas raffles and catering days are just some of the worthwhile projects along with our great fellowship days all make up what the Rotary Club of Cabramatta Inc is about.
