NOVEMBER IS ROTARY FOUNDATION MONTH

This month is the occasion for a simultaneous observance by all clubs. It is a special time for clubs to support, promote, and participate in Foundation programs. It is suggested that recipients of Foundation awards and others give addresses on the Rotary Foundation at club meetings, educational institutions, and community gatherings during the month. Rotary Foundation is a program within the International Service area and is organized as a separate corporation within RI. Rotary Foundation was begun in 1917 by Arch Klumph, 6th International President of Rotary. He convinced a convention that there was a need for an endowment for “doing good in the world”. Some of the programs are PolioPlus, individual grants for Rotary volunteers, Matching Grants, District Simplified Grants, Ambassadorial scholarships, Rotary Grants for University teachers, Group study Exchange, Rotary world Peace Scholars and 3-H Grants.

MAX'S TRIVIA

When Napoleon conquered the Iberian Peninsular and Italy in the early 1800's he made his brothers King and abolished the Spanish Inquisition. All records held by the church in Rome were sent to Paris, more than 300 boxes. However, when he was defeated in 1814 (first time) the Spanish King who had been dethroned by Napoleon reinstated the inquisition and the records, or most of them were returned to Rome.

Napoleon

Italy was a country of individual states with the Vatican in control, the country was unified during the 1800's and the Vatican reduced to what it is today but it did not recognize the Country
