## February is World Understanding Month and Peace Day

The Board of Directors of R.I. Designated the month of February each year as the occasion for simultaneous demonstrations of International Service by all Rotary clubs. The anniversary of Rotary's birth, 23rd February, is also observed as World Understanding and Peace Day. Each club, on that day, should give recognition and emphasis to Rotary's commitment to international understanding, friendship and peace.

## Spare a thought.

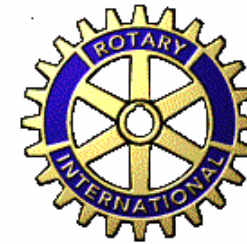

Life not only begins at forty. It begins to show.

You know you're getting old when you stoop to tie your shoes  
And wonder what else you can do while you're down there.

Happiness is not a station you arrive at...But a manner of travelling.
