JULY IS LITERACY MONTH

July is the month when Rotary Clubs often develop projects to help children gain access to books, to support the schools' literacy programs or to help educate an adult citizen.

Just a thought

No person was ever honoured for what he received.
Honour has been the reward for what he gave.

FACTS ABOUT THE ROTARY CLUB OF CABRAMATTA

INC. Rotary International is the association of Rotary clubs around the world. Clubs work on projects relating to health, hunger, environmental concerns, literacy and vocational assistance, drug abuse and assisting senior citizens and younger people. Club members support projects internationally through their own contacts with Rotarians in other countries and through participation in the program of the Rotary Foundation. Membership in a Rotary club is by invitation of a recognized business and profession working or living in the geographic area from which the club may draw members. The classification system ensures a wide cross section of the community's interests, vocations and activities.

The Rotary Club of Cabramatta Inc was chartered on 1st March 1960 with a membership of 24. The club now has 17 members, but what we lack in numbers we make up in enthusiasm and we meet every Monday evening at the Cabramatta Bowling Club. Normal meetings include fellowship at 6.00 p.m. followed by the formal call to order at 6.15 p.m. During the meeting a meal is served. Directors reports are given, items of general interest are discussed and an address is given by a guest speaker on a variety of informative, topical and educational subjects. Meetings generally conclude at approximately 8.00 p.m.

Members are appointed each year to serve on a committee on one of the "Avenues of Service" which are **Club** (which includes fellowship),

Community, International, Vocational and Youth Service.

As in all involvement in Rotary, the time given is personal and voluntary. Some of the projects have been sponsoring students to summer Science Forum in Canberra for 2 weeks, camps for RYLA, RYPEN, organize Red Shield Appeal for the Salvation Army, bush dances to raise money for Children's Hospital, local hospitals, Les Powell School for students with severe disabilities. Another worthwhile project was Jenny's Benefit Dinner where a KIA car specially fitted out and where she was presented with her car and keys. The joy that was on her face was just so good to see. Jenny was a young school teacher who succumbed to a virus while volunteering as a teacher in the Cook Islands.

The Police Officer of the Year Award is another worthwhile community event which we have undertaken, which shows the community what great law enforcement officers we have, and also promoting Rotary as well. Youth programs such as school students nights, both high and primary schools, manage and support Rumbriah Hall a community hall at Canley Heights, Christmas raffles and catering days as well as running a very successful Conference are just some of the worthwhile projects along with our great fellowship days all make up what the Rotary Club of Cabramatta Inc is about.
