

SEPTEMBER IS NEW GENERATION MONTH

Is a time to highlight some of the projects that the youth of Australia can be involved in, in Rotary. Many Aussie youth have benefited from these worthwhile programs.

Another one is:

ROYA Recognition Of Youth Award is unique to District 9690 and was set up to mark the 75th anniversary year of RI. And has been conducted successfully ever since. It is far more than just a popular person contest, rather it seeks to identify and recognize involved, concerned young people of all round ability, involved in community affairs and taking opportunities to participate in a wide range of interests. The program is offered to Seniors (Year 11 and 12) and Juniors (Years 9—10).

BIRTHDAY AND ANNIVERSARIES

No celebrations this week members!

MAX'S TRIVIA

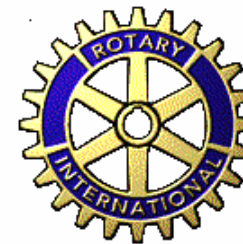

Before modern sewerage and plumbing, people emptied the slops out of the window into the gutter and in France yelled “garden l’eau.” Watch out for the water and loo slightly corrupted is all that is left of l’eau. This also explains why the upper stories jugged out to protect pedestrians from sudden showers.

There was also an endeavour to find a polite term for lavatory which mean a “washing place” and so—send a penny, go to the bathroom, powder the nose.
