**MARCH IS ROTARY AWARENESS**

This involves making the community aware of what we are all about. The club is the cornerstone of Rotary where the most meaningful work is carried out. To keep clubs strong, every Rotarian must share the responsibility of bringing new people into Rotary. The value of Rotary speaks for itself, and the best way to spark the interest of potential members is by letting them experience our fellowship and service first hand. Whether they see us cooking BBQ at schools, the Swap meets etc this may open doors for new interested members.

March is also Rotaract and PolioPlus.
