## SEPTEMBER IS NEW GENERATION MONTH

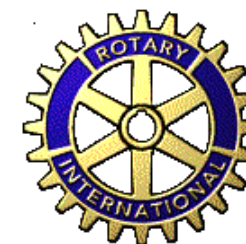

Is a time to highlight some of the projects that the youth of Australia can be involved in, in Rotary. Many Aussie youth have benefited from these worthwhile programs.

Another one is: **ROYA Recognition Of Youth Award** is unique to District 9690 and was set up to mark the 75th anniversary year of RI. And has been conducted successfully ever since. It is far more than just a popular person contest, rather it seeks to identify and recognize involved, concerned young people of all round ability, involved in community affairs and taking opportunities to participate in a wide range of interests. The program is offered to Seniors (Year 11 and 12) and Juniors (Years 9—10).

He was employed for 12 months by a firm in Fairfield but after 12 months he felt he was burnt out so he left. But after a short while he went into Industrial Real Estate. He started out by his self but after a period he went into partnerships. John has since done a valuation course. He has since started playing golf which is relaxing.
