##### **TRIVIA SESSION BY PP MAX LAW**

To toe the line is to do what the Political party or otherwise wants a person to conform to.

In the British House of Commons in the 18th century the central aisle was carpeted and there were 2 woven lines that ran the length of the carpet. If 2 opposing members of the house faced each other with their toes on the line, then they could not reach each other with a drawn sword so by toeing the line peace in Parliament was maintained.

To kiss the hand of an Idol was an ancient gesture of pagan worship. It survives in the kissing of a lady's hand to express to her admiration.

##### **JUNE IS ROTARY FELLOWSHIPS MONTH**

Rotary Fellowships program is a structured program of Rotary International that comprises more than 100 independent fellowships. They range from amateur radio to yachting through to cricket, cycling, flying, golf and fishing to name a few who share their favourite activities and professional interests through organized recreational, vocational, and health/medical related groups within Rotary. The fellowships are organized by Rotarians for Rotarians to develop new friendships and to advance opportunities for service.
