## President's Report

Hi everyone

I am writing to you after two weeks of no bulletin.

This is because, as decided by the club at our meeting on 14 July, we will trial running our board meetings on the third week of the month in the morning, in place of our usual breakfast meeting. The first was held last week on 21 July and by all accounts so far, seemed to have been successful. I have not heard any negative feedback as yet, so if this continues to work, and everyone agrees, this may become the norm.

I would like to thank all directors who have submitted their plans for the year to me. I am sure we will all work hard to achieve many of the items in them.

I know you are all very busy in your lives at the moment, and it would be great if over the next few weeks we can take some time to hear from everyone what you have all been up to. Sometimes it is easy to get caught up in the business side of things, when we should also be sharing all our news with everyone.

Hope you are all keeping warm in this cold weather—only one more month of winter to go!!

Take care and have a great week

*SARAH*

## Monthly Message from RI President

All of us in Rotary are looking to change the world – why else would we be Rotarians? We believe that our world can be happier, healthier, and more peaceful, and that we can create that better world through our service.

In 2011-12, I will ask Rotarians to *Reach Within to Embrace Humanity*. I will ask you to search first within yourselves, to understand that all of us, everywhere, have the same dreams, the same hopes, the same aspirations, and similar dilemmas. When we understand, and truly feel, that others' needs are the same as our own, we begin to understand how important our work is.

Mohandas K. Gandhi said, "You must be the change you wish to see in the world." In Rotary, we endeavor to live ethically and honestly, to share friendship and fellowship, to see equal worth in every human being. We are not interested in the lowest common denominator, for Rotary is anything but common. Instead, we work to elevate ourselves, elevate others, and thereby embrace the world. Together, we will *Reach Within to Embrace Humanity*. And in peace, harmony, and friendship, we will bring change – and a more joyful world.
