CHARTER NIGHT : Wednesday 28th May 2008. Time 6.45p.m. Location: Breakfast Point Country Club

Minutes of meeting held 6th March 2008 Attendance 17 people

Apologies: Brian Lawrenson Ritchie Lees, Tom Croker, Willhelm Guest Speaker: Harley Tarrant
Meeting Chairman, Michael Smith, welcomed us all and began proceedings.

This meeting was short with discussion taking place regarding the condition of Cabarita Park and issues involved in the use and care of it over the weekends. We will discuss this with the council to see what can be resolved and if Rotary has a role to play.

- Ethnee reported that there was a strong possibility of Rosecorp sponsoring a Jazz Quartet for our spring concert fundraiser. She will keep us up to date of any developments.

An invitation has been extended to Rotarians to meet at the Country Club for Happy Hour on Friday evenings between 6 and 7.

Treasurer Doug reported that we now have \$1300 in funds. He also asked that we have a concerted effort in inviting more people to join as we need 20 to charter and we require a few more before the end of the month of March otherwise we will need to delay our Charter Evening.

Harley Tarrant, immediate Past Governor of Rotary, gave a very informative and enlightening talk about the role of Rotary International. Topics included

- Ambassadorial Scholarships of which a past Governor General, William Dean was a recipient.
- Group Study exchanges- where 4 people are sponsored to study industry, business and culture in another country.
- Humanitarian Aid- Rotary International match grants for certain projects. This was how Polio Plus was started in 1985
- Paul Harris Foundation

Thanks Harley for stepping in at the last minute and giving such a great talk.

Congratulations to Doug and Cathy Pritchard celebrating 20 wonderful years of marriage this week.

Thanks Michael for conducting a smooth, well run meeting. The meeting closed at 8.20 with the singing of the National Anthem.
