

WELCOME TO ROTARY 2011-12

Fellow Rotarians and Rotary Friends,

In 2011-12, we are being asked to look within ourselves to understand that all of humanity has the same dreams, similar hopes and problems and the same aspirations.

In the year ahead, we have three emphases in our Rotary service.

- ❖ Strengthen our family, because the family is where everything begins;
- ❖ Find the things that we do well and take them to the next level: and
- ❖ Change whatever needs to be changed to achieve peace, harmony and friendship and a more joyful future for us all.

Rotary International President Kalyan Banerjee is asking us to "*Reach Within to Embrace Humanity*".

To us this Theme means - to strengthen ourselves through the community of Rotary, family and friendships and make the changes required to achieve world tolerance and lasting peace.

We Rotarians are being challenged to be the instrument of change and start by being the change we wish to see in the world.

Enjoy your Rotary year
