

**Intention to apply for
Rotary Youth Exchange
Rotary International District 9700**

Student's Name (as on Passport or Birth Certificate):

Given Names **Family Name**

Name you wish to be called:

Student's email:

Date of Birth: (dd/mm/yyyy)

Current Year at School

Current School:

Home address

Street

City **State** **Postcode**

Postal Address

Rotary Club who you expect to sponsor you:

Complete the above details and email to d9700yx@gmail.com

The Rotary District 9700 Youth Exchange Committee will email you with information which allows you to access a web based application.

Please set up an email address that is NOT your school email as we need an email that can continue to be used overseas. You might look at Yahoo, Hotmail or gmail to set up such an account, unless you have a bigpond or similar service provider email address already.

Details of the application process are included in the "Information for prospective exchange students and their families" document on our website.

Examples of the application form are available on other websites but all applications within District9700 must be generated through the above process.

A Passport size photo will also be needed with your application. If you can arrange to have one taken digitally (you can even smile), and send it with your application as an attachment we will re-size it to use both on the website and for your business card printing if selected for our program.
