### Presidents Report

Hello Rotarians,

With just 3 weeks to go to Christmas, I feel the tempo increasing. Just a little bit more hurried on the road and the shops seem to be constantly full of people browsing.

So with diminishing time before we knock off for the holidays I need your help. There are 2 major tasks that we have committed to, early New Year.

The first is the Clayton Festival on February the 14<sup>th</sup>. The second is the Ladies Golf Tournament scheduled from March 10<sup>th</sup> and is to be held at Commonwealth. This event will be over 4 days.

Preparation for our part in the festival has started and it is planned to have all items needed, to be in place by the middle of December. The Golf date gives us time to leave the preparation for this function to the New Year.

Both activities will provide an opportunity to show Rotary at work and replenish our resources.

It will be helpful to know if you are not available at the time. Please contact Jim for the Golf and Ralph for the Festival.

Thank you

Enjoy the week

Bob

## Where other Clubs Meet

A Rotarian can attend the weekly meeting of any Rotary club around the world. This is a "make-up" and counts as attendance credit when you are not able to attend a meeting of your own club.

Details for all District 9810 clubs can be obtained in the district directory or website [www.rotary9810.org](http://www.rotary9810.org). Details for clubs around the world are available in the RI Directory (held by the club secretary) and on the RI website ([www.rotary.org](http://www.rotary.org))

---

## Reminders

Please ensure that the club is aware if you will be missing a meeting. Contact **Heather Norling** on 9544 4220 by 4 pm on the day of the meeting, if you are not going to be present.

Contributions for inclusion into the Bulletin should be passed to [michaele@netspace.net.au](mailto:michaele@netspace.net.au) by Thursday evening of each week.

## Joke of the Week

Little Johnny's neighbour had a baby. Unfortunately, the baby was born without ears.

When mother and new baby came home from the hospital, Johnny's family was invited over to see the baby.

Before they left their house, Little Johnny's dad had a talk with him and explained that the baby had no ears. His dad also told him that if he so much as mentioned anything about the baby's missing ears or even said the word ears, he would get the hiding of his life when they came back home.

Little Johnny told his dad he understood completely. When Johnny looked in the crib he said, "What a beautiful baby."

The mother said, "Thank you, Johnny."

Johnny said, "he has beautiful little feet and beautiful little hands, a cute little nose and really beautiful eyes, Can he see?"

"Yes," the mother replied, "we are so thankful; the doctor said he'll have 20/20 vision."

"That's great," said Little Johnny, "coz he'd be stuffed if he needed glasses."

### Tassie reaches out to fire victims

**By Marian Larner,  
Rotary Club of Tasman Peninsula, Tas**

Only days after the devastating bushfires in Victoria, Marian Larner, then the President Elect of the Rotary Club of the Tasman Peninsula, began planning a project to be implemented six months later.

It was the memory of her feelings of loss and inner hurt, six months after the Port Arthur incident in 1996, and the holidays that were then offered to her and other people on the Peninsula, by the community of Forster in NSW, that sparked the idea. That holiday started her healing because the people in Forster showed they cared and gave with compassion.

Marian talked of her plan and immediately was offered help by her fellow Rotarians.

The idea was to offer free accommodation on the Tasman Peninsula. This was embraced by sixteen different accommodation places from hotels, self-contained units and bed and breakfast places. In fact proprietors offered from three to six nights at the time with some of the bigger establishments giving up to 24 nights in August and September.

A local business offered free tickets on its three-hour cruise, the historic site provided free entry, as did a local wild life park. All the eateries came on board and gave discount food offers and one business provided "welcome packs" to every family.

The response from the community was overwhelming.

Then came the difficult part, how to find the people that most needed the holiday to help with their recovery.

It was through the past DG Michael Perkins, that Marian was introduced to Christine Payne, then president of the Hazelwood Rotary club in Traralgon. Without Christine the project could not have happened.

Christine found the families most in need among the survivors, volunteers and counsellors at the recovery centres around Traralgon.

In mid-June, just a few days after being inducted as President of the Rotary Club of the Tasman Peninsula, Marian travelled to Traralgon to speak to the survivors of those devastating fires in the Latrobe Valley, and booked many families into the accommodation best suited.

By August, 15 people had already enjoyed the hospitality and generosity of the Tasman Peninsula. By the end of September 120 people had had a break away from their scarred and forever changed surroundings. Many will have also discovered what Rotary is all about.
