THE NATIONAL ANTHEM

Australians all let us rejoice
For we are young and free,
We've golden soil and wealth for toil,
Our home is girt by sea.

Our land abounds in nature's gifts
Of beauty rich and rare,
In history's page let every stage
Advance Australia Fair.

In joyful strains then let us sing
Advance Australia Fair.

Attendance last week: 80%

Question of the week: What does the Rotary Health Research Foundation do?

REPORTS

Last week Club members were addressed by Mr Michael Whitehouse who is an avid supporter of the Rotary Health Research Foundation. The foundation has a proud record of achievement including significant contributions to reducing: SIDS, youth suicide, child abuse and neglect by parents. The foundation has contributed to improving human lung transplants, improving treatments for Alzheimer's, brain diseases and ADHD. Michael drew our attention to the planned "Great Australian Bike Ride" which is being organised to raise funds Australia wide. All Clubs are being called upon to support this enterprise.

Club reports

Volunteers were needed for the K&D BBQ this coming weekend and for 28 Feb 09.

President Colin reported that our French exchange student left for her home in France last weekend.

Doug Chipman reported on the Jazz Festival being planned for 17 – 22 February.

He also reported that Council will maintain the equipment installed in Rotary Park.

Jill Gates was assisted by Club members to complete a survey in relation to the Rotary Youth Exchange Program. It seems the difficulties presented by hosts not being allowed to be one-on-one with the visiting exchange student was the main factor that inhibited members from volunteering to participate. On the other hand, the program was held to be generally rewarding and beneficial.
