## Bits 'n' Pieces

### Last Week: Fiji

Terry showed a DVD from Drasa Secondary School in Fiji. Rotary has provided the school with computers, library facilities, compactors for storage and sewing machines. The school has one of the best IT facilities in the country and are fortunate to have an experienced IT teacher on the staff. The DVD was a 'thankyou' from both staff and students for enriching their lives. Terry informed us that the Ami Chandra school which we have supported in the past has not been so fortunate – the computers which were donated have been locked away unused for several years as they have no one with suitable expertise. The library has fallen into disrepair with termites eating away the floorboards.

**Guests:** Cliff Grosse and Frank Henderson from RC Lindisfarne  
Last week's visitor Graham Chatfield gave the club a \$20 donation

**Apologies:** Libby, Linly, Geoff, Brian, Rob
