LAST MEETING - 10 November

Apologies: Col Heron, Don Roddam

Jennie Mitchell for apparently sending large format pics with last week's bulletin – blame the 'puter. I hope it didn't inconvenience anyone unduly

Attendance last week: n/a

Behind the Badge – Jennie Mitchell

Jennie outlined her life as a nurse in her earlier years and the strict training regime of the day – no getting married before you finished your course, and long hours. She has spent time overseas in Fiji and Singapore and did voluntary work in those countries as she was not permitted to work. She came to Tassie when the Tasman Bridge came down as her (then) husband is an engineer and was contracted to the restoration work. For 10 years she worked as a Teacher Assistant mainly working with children with intellectual disabilities. A career change saw her working in the JobNetwork area teaching unemployed clients how to write resumes, apply for a job and other job searching skills. She was invited to join Rotary in 2001 and has enjoyed her involvement at both Club and District level.

We enjoyed a pleasant BBQ on a lovely summer's evening – thanks to the cooks – Linley and Bill – obviously all that experience at K&D sausage sizzles has paid dividends!

Club News:

- Car parking for athletics carnival – this is worth \$1k to club and will be a worthwhile Community Service program. Ray will be circulating a roster tonight. Please see if you can

give a few hours on one of the four days – a great way to promote Rotary and our Club!

- 'Art from the Heart' an initiative of RC of Tasman Peninsula – the idea is to donate artwork which will then be distributed via RC of Taralgon in Victoria to last summer's bushfire victims
- John Grimmond is sporting some extra facial hair this month in support of Movember to raise funds for Men's Health – he will welcome any sponsorship. Maybe we can run an auction to see who will shave it off at the end of the month??
- Jennie Mitchell and Cyril Dann represented the Club at the launching of Second Bite at Woolies Eastlands – more to follow on this project.
- Welcome back to Reg after his holiday across the Tasman – he presented a banner from the RC of Belfast (NZ *South* Island) much to the amusement of our Irish President who insists Belfast is in *Northern* Island (or is that Ireland?)
