Grace: For good food, good fellowship & the opportunity of service to others, may the Lord's name be praised. Amen

Last Week: In the absence of the scheduled guest speaker a general Fellowship cum Club Assembly was held.

Our new President Tim introduced what he calls '60 Seconds of Rotary Sunshine' where members will be able to tell what they have done for Rotary during the past week (other than attending meetings). **Jill** was first to put up her hand, reporting that the Walking Club distributed about 1000 fliers for the Mercury around Lauderdale last Monday, and will be doing the same again in Howrah this coming Monday. She made special mention of the warm (in every sense of the word) hospitality offered by Libby when we adjourned to her home for what we thought was a cup of coffee, only to find a magnificent morning tea spread – scones, slices cake - all this in the middle of preparing for their trip to the mainland later in the week. Thanks Libby! Geoff has been warned that the walkers will be descending on his home next week!!

Terry advised that a shipping container is being filled for Fiji but they are still having issues with the Fijian Gov. about getting the goods into the country duty free.

Apologies: Col, Don, Jacki, Peter

Guests: Andrew O'Connell, Cliffe Gosse (RC Lindisfarne)

Attendance: Changeover 95%

Birthdays: Tammy 19th – hope you have a great one.

Geoff reported that 65 Entertainment books have been sold so far giving \$715 to Club.

The Wiggins's have left on their adventure to the mainland – they will be away for about 6 weeks. We wish them a safe and happy journey and look forward to their return at the end of August

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention. The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year.
