## Last week - DG's Visit

We welcomed DG Ted Richey, his wife Colleen and AG Arthur Orchard and Jill.

Ted commended the Club on the number of members who are on District Committees, saying we 'punched well above weight' Rotary is founded on Fun, Friendship and Fellowship and Ted asked the question 'have we moved away from this?'

Outlining events in the District this year, Ted specifically mentioned the **Rotary Foundation**, which as he reminded us is our **very own** Foundation. He invited everyone – family & friends included, to the Annual Giving Day at Brickendon Estate on 6<sup>th</sup> February next year

**Polio Plus** is nearing the end and we need to see it finished and move on to new challenges. In February there will be a unified event throughout the District, with Clubs being asked to 'rattle a tin' in their area – will there be a cricket match on at Bellerive Oval that weekend???

**Membership** is something we all need to think about, particularly the issue of attracting younger people. We need to embrace modern technology such as Facebook and radio, and may also need to change the way we 'do' things, with more flexibility and maybe changes in meeting formats.

How to fail a test with dignity

He could find out by checking his speedometer.
