## Club Assembly

### Club Service:

- As we now meet downstairs once a month it was suggested we might use that night to visit other clubs – agreed we would continue with BBQ arrangements
- Bulletin – like idea of emailing to members but should have some hard copies at meeting
- Current standard of meals very good.

### Community Service:

- Outdoor seating at Lillian Martin now installed at cost of \$2200. This is much less than anticipated so now to consider providing bed as requested at cost of \$1600

### International:

- In response to District 9830 Tsunami appeal it is suggested that the money raised at the Open Garden (\$942) be topped up to \$1K and contributed to this appeal.
- Purchase a further Shelter Box to replenish following the recent natural disasters.

### Foundation:

- Encourage members to become Centurions and to look at the Bequest Program

### Membership:

- Caroline Farquhar from Moonah Club to be invited to talk on how that club has been so successful in gaining new members
- To consider the Club Visioning Program to set goals for club, both short and long term

### New Generations:

- Continue supporting Rosny College with awards
- Support Science & Engineering Challenge (Previously known as Siemens Science Experience) & RYDA
- To look at possibility of assisting student with interview techniques

### Vocational Service:

- Pride of Workmanship – only 6 applications received despite many letters sent and hand delivered.  
*Presentation on 24<sup>th</sup> November – this to be Partner's Night and as many members as possible are asked to attend.*
- Looking at possible Customer Service Award as follow on from POW
- Seeking ideas for vocational visits – any suggestions please talk to Geoff
