Last Week: Club Assembly – Doug gave a most informative PowerPoint presentation on the **Rotary Foundation** outlining what it is and how we as a club and as individuals can support it. Individuals can become benefactors or by donating a minimum of \$100 per annum, can become Centurions. Our club regularly gives to the Foundation each time we award a PHF. The club plans to apply for a Simplified Grant through the Foundation to provide seating or a shelter at Rotary Park – there are more applications than there are funds so we may not be successful this year, but if not we will give it a go again next year. This is part of the plan formed at our Club Visioning Day earlier this year. For more information on the **Rotary Foundation** go to RI website: www.rotary.org and click on Contribute. As most of you will have seen Facebook is up and running with 35 'friends' at last count. There is a lovely photo of our new BBQ trailer resplendent in its livery, and fully kitted out – of course tonight it is being 'launched'

Family of Rotary

A number of our members and partners are on the sick list:

Libby has once again undergone surgery on her foot and the prognosis is not good – she will once again be unable to put her foot to the ground for some time and faces ongoing surgery at a later date. Our thoughts and prayers are with her and Linly **Allan** took a tumble at home while carrying a plate – ended up with lacerations which required stitches and is feeling bruised and sore.

Cards have been sent to both Libby & Allan on behalf of members and flowers have been sent to Libby as well.

Jill's husband **Ross** has had a hip replacement – we hope he is skipping about very soon and back to playing golf
